

The Unitech MS840P Wireless Scanner  
Installation Instructions & Popular Configuration Settings

## SETUP AND INSTALLATION

The following steps will walk you through the installation process.

### STEP 1: POWER ON

Switch the power button to the on position.

### STEP 2: CHARGE

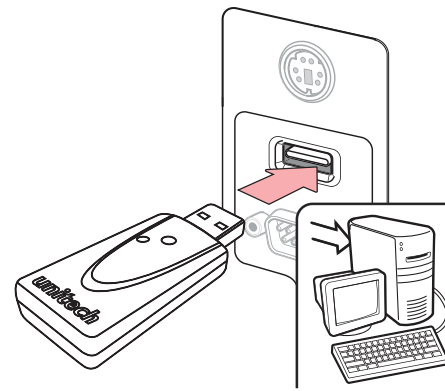

Plug the power supply cable into the bottom of the MS840P and into an electrical outlet. Charge for at least 5 hours.

### STEP 3: SCAN DONGLE

Scan the barcode on the USB Dongle.

### STEP 4: CONNECT DONGLE TO HOST

Plug the USB Dongle into a free USB port of a host computer. The MS840P is now ready to use.

### TEST & FINISH

Open a word processing program such as Microsoft Word or Notepad on your host. Now scan the following barcode:

If the word "Unitech" appears on the screen you have successfully installed your scanner. Congratulations!

## SETTINGS AND CONFIGURATION

The following section covers the most common configuration settings for your MS840P scanner.

For additional configuration options please visit [unitechscanners.com/MS840P](http://unitechscanners.com/MS840P) and select the "Download" tab. You will find the User's Manual and a variety of other resources.

### FLASH MODE

Flash Mode

Scan here to switch to Flash Mode from the default Trigger Mode. In Flash mode, the MS840P will function automatically. It will scan at a set interval.

### TRIGGER MODE

Trigger Mode

Scan here to switch back to Trigger Mode. In Trigger Mode, the MS840P will scan only when the scanner button is pressed.

### TAB MODE

Tab Mode

You may wish to set your scanner to Tab Mode. In this mode, data will tab over to the next column as you scan instead of jumping to the next line. Scan the top barcode then the bottom barcode to switch to Tab Mode from the default Enter Mode.

## ENTER MODE

Enter Mode

Scan here to switch back to Enter Mode.

## GOOD READ / BAD READ

## HOW CAN WE HELP YOU?

The MS840P should be recognized as a generic HID device by your host device, similar to a standard keyboard. This allows you to scan into any field that you could normally type into.

Unitech's professional support team is available to quickly answer questions or technical-related issues. Should equipment issues occur, please contact a Unitech Service Representative at (800) 861-8648 for more information.
